... as your supplier

The Bohle® Group, leading manufacturer and supplier of tools, machines and accessories for glass processing and finishing, has been represented in North America with their own subsidiary since 2008. We offer a long history of manufacturing and innovation since 1923, with our own products made in Germany, now available directly - bringing quality and affordability together.

01 | Selection

We have all the products you need for your day-to-day business. Choose the best from 14 product fields such as glass cutting, UV-bonding, measuring tools, vacuum cups, sealants and glazing tools...

- ✓ We have all the supplies you need
- ✓ Growing product range

02 | Quality

We provide high quality at an affordable price. Most of our products are made in Germany or established American brands.

- ✓ Long service life
- ✓ New technologies

03 | Experience

For more than 85 years, we have been involved with glass. Our innovations, solutions and expert workshops reflect this extensive know-how.

- ✓ Free support from master glaziers
- ✓ In the business for over 85 years

Shower Door Hinges Bohle Barcelona Select

Shower door hinges made of brass, suitable for 8, 10 or 12 mm glass. The hinges have an automatic return motion of $\pm 15^\circ$ to zero position. Outside this automatic return range, the hinges remain in any set position. Sold individually and include fixing screws and gaskets. Maximum door weight: 35 kg, maximum door width: 700 mm. The zero position is adjustable.
